COMMUNITY INDICATORS

Protect and maintain local tobacco control coalition infrastructure needed to combat tobacco use, as well as working with community organizations to reduce tobacco use among those groups most impacted by tobacco including women of child bearing age

Protect Hoosiers from exposures to secondhand smoke by:

- Supporting local and/or statewide smoke-free air ordinances for worksites, including restaurants, bars, and gaming facilities

Decrease youth smoking rates by:

- Supporting community activism among youth through the VOICE movement

Decrease adult smoking rates by:

- Promoting the Indiana Tobacco Quitline (1-800- QUIT NOW) throughout the community
- Supporting employers to create healthier employees through employer supported tobacco treatment resources to their workforce
